Good Behaviour Charter

- We obviously want everyone to enjoy themselves on tour, however, often the actions of a few can spoil things for the many.
- We believe our Good Behaviour Charter represents sensible rules of conduct, which any 'fair minded' person would be happy to adhere to.
- Unreasonable and or offensive behaviour, or acts of malicious damage by any individual in the group will not be tolerated under any circumstances and may well result in the entire party being asked to leave the hotel or holiday park without entitlement to refund.
- In the event of damage to property or injury, the hotel or holiday park management will have the right to demand appropriate compensation from the entire group.
- Be considerate of other guests and keep the noise down! Especially at night.
- In the event of any disturbance made by members of your group, the hotel or holiday park management reserves the right to demand compensation for other guests and may ask for your removal from the premises.

**Please ensure every member of group is aware
of the requirements of this charter.**
